	1. In the early morning on 12 October 1954, the units from the Neuruppin post presumably left for fall exercises. Train units left northward at about 0800. According to the imprints of tank tracks and the position of the traffic control posts, tanks from the Fridericus Kasarne (2205) left in the same direction. After the departure of the troops, the installations of the Neuruppin post were only lightly occupied. The garages of the Friedrick Franz Kasarne (2201) were vacant. An officer with the division headquarters stated that the units were to return on 17 October.	
	2. On 10 October, imprints of tractors led from the Dallgow railroad station to Olympisches Dorf (2067). At 0530 on 12 October, 300 recruits wearing red-bordered black epsulets were detrained at the Dallgow railroad station.	
	3. On 5 Ortober. 20 x 57 mm AT guns. 14 x 85 mm AT guns and 50 to 60 trucks arrived at the Flak Kaserne (2002) in Brandenburg. Subsequently, the installation was about 75 percent occupied.	25 X 1
25X1	4. On 5 and 9 October, units with the following material returned to the Artilleria Kasorna (5341) in Perlaberg from the direction of Wittenberge: approximately 35 T-34/35 tanks with EA-64 armored scout cars
